

PAWAR PUBLIC SCHOOL

ADHYAYAN NATIONAL GOLD AWARD

A proud moment for students, parents and staff of Pawar Public School, Kandivali. Our school has bagged the prestigious “Adhyayan National Gold Award” based on 2015-16 performance. Adhyayan Quality Standard conducts a qualitative audit for schools.

This quality audit was an extensive and a comprehensive process which involved a self-review and an external review team. The self-review team was made up of representatives from Teachers, Students, Parents, Admin and Non-teaching staff along with the Principal. The external review team members collected evidence from all stake holders through formal & informal interviews, class observations and other means of evidence collection.

It was an achievement to get National Gold at the first attempt. Also, we are one of the 2000 schools with a National Gold.
