Unified Council is Pillared by highly qualified, broadly educated individuals and renowned academicians who teamed to form the council that has education as the nerve centre of its activity and applying today's technology to support its research. Unified Council is providing different educational programmes to the students to realise their personal potential for higher achievement through strongly grounded **fundamentals**.

The philosophy behind conducting this programming is to make our younger generation **fundamentally stronger** through improved study habits and application of contemporary educational tools, spot the merit students and award them deservedly (**Gold Medals, Tablet PC, Cash Awards, CD Titles, Book Prizes etc.**)

NSTSE is today recognised as **India's popular Science Talent Search Examination**, which has been very well accepted as a programme of merit. The NSTSE is conducted for the students of classes I to XII. Students from every school following the CBSE, ICSE and Various State Board Syllabi can participate in this examination.

The NSTSE evaluation is completely computerised. We are providing a lot of analysis reports on students' performance (country wise/school wise/ student's performance reports etc.)

Unified Council is India's **First ISO 9001:2008** certified organisation in this sector. This shows our commitment for maintaining **International Standards**. Unified Council is India's **No.1** organisation in conducting assessment exams. NSTSE is also the **National Maths and Science Olympiad**.

In the previous year we conducted NSTSE-2017 in **Indonesia, UAE, Saudi Arabia, Yemen, Oman, Tanzania, Qatar & Kuwait** also.

Now well-known organisations like **Encyclopaedia Britannica, Mapmystep.com & Brain Mapping Academy** have joined with us for **sponsoring prizes worth Rs.3 Crores** for the toppers in the NSTSE-2018.

PAWAR PUBLIC SCHOOL

Every student taking this exam will be provided a booklet i.e. *Success Series Book* at **FREE of cost** which covers the below mentioned topics.

- ◆ Memory Techniques
- ◆ Effective Study Techniques
- ◆ Mnemonics
- ◆ How to prepare one's own special Notes(Mind Mapping Technique)
- ◆ Facts about Brain
- ◆ Tips for perfect Health
- ◆ Best Methods of Revision
- ◆ Short cut methods in solving basic mathematics problems
- ◆ Exercises to improve memory power etc.

Based on the development of a skill blue print, highly experienced educational specialists with significant teaching experience are developing assessment tests. The analysis of the performance is done at individual student level, class level, school level and country level. The feedback is in the form of detailed question-wise and skill wise analysis (Student's Performance Reports) for each student. **Unified Council is the pioneer in India in providing this range of reports.**

We expect that students like **SETU U. DOSHI**, many other students are also eager to show their talent from **your school**. So, we request you to introduce NSTSE in your school also. More - over this examination is not only for toppers in the class, but also useful for average and below average students to strengthen their **FUNDAMENTAL KNOWLEDGE** and know their shortcomings.

Considering that your school participation is very important, we are enclosing an information brochure, as it will guide and provide your students with the much required impetus to perform better while at the same time helping us reach out to more.

Thanking you in anticipation.

Yours Sincerely,

For Unified Council,

(K.S. VAS)
