Dear Mrs. Revati,

We consider ourselves very fortunate to be associated with an institute such as yours, which inculcates values of giving to the children under your tutelage. We would like to convey our heartfelt thanks for the effort which has been put by your students during the past few days for initiating a collection drive at your school, which has helped raise a sum of Rs 26,000/- for buying Medals for participants for Table Tennis Tournament which is scheduled to be held on **09th September 2023**

Indeed, the money your children raised for us acted as booster to our efforts in encouraging physical activity and sports amongst such children with disability studying in special schools of Maharashtra.

Together, let us bring joy in the life of children with Delayed Milestones.

Once Again, A Big Thank you and hats off to all the students and their teachers involved in this excellent achievement

Thanking you,

Yours Sincerely,

M. P. Parekh
